

CORE Dance COVID-19 Precautions

- Face coverings are required for all employees & all non-dancers
- Face coverings are required for everyone ages 5+ outside of the garage door space (anywhere in the light grey part of the concrete)
- Dancers 5+ must wear face coverings when not in class
- Sanitation Stations available at every exit and entrance. Use of hand sanitizer is required as you enter. Instructors must wash hands before every class.
- Any dancer or instructor who is ill or showing symptoms, or has a member in their household who is ill or showing symptoms, cannot attend in person classes. Zoom class will always be available.
- Hydration stations and coffee will be currently unavailable. Students need to bring their own water bottles. Parents can hit up Starbucks to go ;)
- No dance bags or changing clothes at the studio. Dancers need to enter the studio in their dance shoes and apparel without anything extra. Appropriate dance shoes are required to enter the dance studio, no bare feet.
- All barres, door handles, floors and surfaces will be disinfected between each class.
- Bathroom use is discouraged. Please use restrooms at home before coming to dance. Bathrooms will be cleaned daily.
- Garage doors will remain open during business hours to allow for max airflow.
- Temperature checks for everyone entering the studio.
- Dancers enter and exit through garage doors to avoid door handles and foot traffic in lobbies.
- Classes capped at 10 (5 for classes that require a parent).
- No lobby access - Virtual Lobby will be available via Zoom so you can still watch your dancer
 - Exceptions for special cases - please contact us.
